Do you know about **Property Watch Alert**?

Property Watch Alert is a **FREE** on-line service offered to the property owners in Oneida County to address the growing concerns with property fraud.

Property Watch Alert cannot prevent fraud, but it serves as an early warning system for property owners to take action if suspicious activity is detected.

Property Watch Alert is a notification service that alerts subscribers against the possibilities of fraudulent activity being committed against their property.

Property Watch Alert applies to all documents that get recorded, not just deeds. Once you sign up you will receive alerts if anything gets recorded.
